

Blossoming Paper Flowers

1. Cut out square piece of paper (15 x 15 cms or 6" x 6")
2. Fold it into four
3. Draw a petal shape from the folded corner

4. Cut the shape out and then unfold

5. Insert a handmade flower, butterfly, shape or the ladybug
6. Fold 'petals' over making an envelope

7. Place folded paper onto water in dish
8. Watch the petals open!

Cut out the ladybug and put it in your paper flower
